Each school year, PDSD begins with a theme that guides our focus areas in our curriculum, parent and family engagement, and professional development with our staff. Our theme for 2022-2023 was "Level up." PDSD focused on the following throughout the school year.

PDSD has Leveled Up on many things such as classroom community, formative assessments, differentiation, Read ALoud, Technology Integration, Productive Struggle, and Reflection. We began the year making connections with students, established collaborative routines and procedures, and created environments in which students thrived. This wonderful community of Deaf Educators provided opportunities that helped students to gain comfort and appreciation in being uncomfortable, working through a challenge, and failing forward.

PDSD's hard work in Leveling Up resulted in the following accomplishments!

High School Robotics Competition 3rd Place
Middle School Math Competition 4th Place
High School Academic Bowl Sportsmanship Award
State-Level Optimist Club Scholarships Won

This year was definitely a year of excitement and Leveling Up! Everyone brought their "A Game" in 2022-2023.

Always remember, "When You Step Your Game Up, Your Life Will LEVEL UP!"– Jeanette Coron.

Sincerely,

Jill Voit
Principal

Graduating Class of 2023 of the Phoenix Day School for the Deaf:

Please accept Dr. George Martin's and my congratulations on your graduation! Your persistence and hard work through many challenges - including three years of the COVID-19 pandemic disrupting your education - has paid off and brought you to this memorable moment in your life!

As you complete your courses, turn in your last test, and walk across the stage to get your diploma, remember that life holds many opportunities for those of you who dare to dream. Take full advantage of your skills, whether it is furthering your education or getting your first full-time job. In addition, dare to be a leader with your family, in school, on the job, and in the community.

As you prepare for graduation, do not forget the dedicated teachers and staff at PDSD who have worked hard to give you the best education needed to prepare you for the future. Take the time to say "thank you" to them.

Be proud Roadrunners! Make your future exciting and purposeful!

Again, congratulations!

Sincerely,

Annette Reichman

RETIREMENT

Jane Mielenz

Administrative Secretary

Dear Roadrunners!
PDSD has been my home away from home for 22+ years. As I contemplated retiring this year I looked back on the support that I have provided to the principals and staff at PDSD. Supporting each other as we progress through each school year is important. I challenge you, PDSD Roadrunners, to support each other, support your teachers and staff ... make PDSD better than ever!
Once a Roadrunner, ALWAYS a Roadrunner!

Lisa Parrone

Speech Pathologist

In 1984 I began my journey as a new college graduate. When I first stepped on the campus of PDSD I was more than a little nervous! The staff and administration were so welcoming and friendly, which immediately put me at ease. Over my 38 year tenure, I have been afforded numerous experiences and changes in my profession as a speech-language pathologist, specifically related to deafness and Deaf education. My life has been enriched beyond compare by collaborating and working with each staff member, community member/professional, student, and parent. For that I am eternally grateful and cherish the established life-long relationships. The phrase "Once a Roadrunner, Always a Roadrunner" will resound in my heart for eternity. Thank you for the opportunity!

Jeanne Schroeder

1st Grade Teacher

I've taught at PDSD for 36 years. 35 of those years, I spent in the very same classroom teaching first grade. Room E4 became a second home to me. As a teacher, I have experienced many changes over the years. I remember writing IEPs on carbon copy paper. I used a chalkboard in class and a ditto machine to make copies. I taught using film strips, reel to reel film, overhead transparencies and an opaque projector (which easily overheated). With no phones in the rooms, phone messages were left in mailboxes. Later, TTYs were added to the classrooms. I remember so many fun activities from the past! Our annual tour of Holsum Bakery, our annual first grade food drive, sailing to the café with a paper ship, a rodeo, an ostrich festival, the state fair, roller skating and so much more! I've enjoyed working at PDSD over the years. I have taught many students and enjoyed seeing them graduate. I have made friends at PDSD and look forward to keeping in touch. I have very fond memories of PDSD that will stay with me forever. Thank you for all the memories!
